Subject: Update to the Roycemore Community

ROYCEMORE

Dear Roycemore Parents, Faculty/Staff and Alumni,

First, it was great seeing those of you who attended the Gala Friday evening. Once again on display was this community's commitment to Roycemore. For the dozens of emails that I have personally received expressing their support, I want to take this opportunity to say thank you!

I am pleased to report that in the last 48 hours, the Board of Trustees, with help from our outside education consultant, has made considerable progress in defining our path forward. The north star for the entire Board of Trustees is to ensure that we all have reliable information in order to make trustworthy decisions. With that in mind, our consultant is flying in this week to do a deep dive to ensure that we can get reliable answers. **By the end of the week, we will schedule a time to provide you with an update.**

Some of the questions that will be addressed during that update include:

- How did Roycemore get into this financial problem?
- Is Roycemore going to be open the rest of the academic year?
- Will there be a 12th grade graduation as scheduled?
- Will there be summer camps as previously planned?
- Will the school open on schedule in August?
- What are the next steps and when will we receive additional updates?

For parents wondering about school tomorrow, it will proceed as scheduled and special activities for the week will take place as previously announced.

We recognize that this period brings both questions and challenges. Please know that the Board is fully engaged and is approaching this moment thoughtfully and responsibly, with the best interests of our students, faculty, and families at the center of our work. We remain committed to clear communication, responsible stewardship, and guiding the school forward with purpose and care. Together, we will continue to build on the strength and spirit of this remarkable community.

Sincerely,
Anthony Chambers, Ph.D.
Chair, Board of Trustees
